

# Art and design courses 2012 with a deadline of 24 March

There are two application deadlines for art and design courses: 15 January and 24 March. Applications received by the relevant deadline are guaranteed consideration by the chosen universities and colleges.

This list contains art and design courses with an application deadline of 24 March that were published in UCAS Course Search on the published date shown below. The list is updated each weekday (Monday to Friday) and it is important that you use the most up-to-date list as course details may change during the application cycle. Art and design courses not listed either have an application deadline of 15 October or 15 January, or are no longer available. You should check UCAS Course Search. UCAS Course Search also provides more information about the courses, universities and colleges.
